

# WVA Scan

Inventory management at its best.

Scan It. > Send It. > Done.

## THE PERFECT SOLUTION

Managing your inventory can be a cumbersome task, but it doesn't need to be. With WVA Scan you are able to order lenses *before* you run out. Simply scan your lenses as you dispense them and submit your orders. We take care of the rest. It really is as easy as it sounds. Scan it, send it, and you are done.

### SAVE STAFF TIME

- » No more fax forms!
- » Spend less time managing and placing orders.
- » Patients have the lenses they need so there's no need to contact them.

### AUTO VALIDATE

- » Lenses you scan are validated automatically.

### YOUR GO-TO LENS

- » Always have your first lens of choice in stock.

Contact your Sales Representative today for more information.
